

Wellbeing Communicator Referrer Contact Survey

In order for your local Diagnostic Imaging Department to issue Clinical Reports and Notifications via email, you will need to provide the department with certain details to facilitate the National Patient Safety Association (NPSA) Safe Practice Notice 16 – which ensures that radiology imaging results are promptly communicated and addressed.

Please complete and return this form to the Radiology Information System Communicator Administrator to allow you to receive diagnostic results and for reciprocal result acknowledgements to be received by the radiology department.
